

KIMBERLY-CLARK NAMED ONE OF AMERICA'S MOST JUST COMPANIES BY JUST CAPITAL

January 18, 2022

DALLAS, Jan. 18, 2022 /PRNewswire/ -- Kimberly-Clark today announced it was named among [America's 100 Most JUST Companies for 2022](#) by JUST Capital. The annual JUST 100 list recognizes U.S. corporations that outperform their peers on issues such as fair pay, worker health and safety, benefits and work-life balance, ethical leadership, cultivating a diverse and inclusive workplace, and producing sustainable products.

"We are proud to once again be included in the JUST 100 list," said Lisa Morden, Vice President of Safety, Sustainability & Occupational Health at Kimberly-Clark. "This recognition reflects Kimberly-Clark's commitment to living our values and delivering our purpose of Better Care for a Better World – for our people, consumers, communities and the environment."

To create its annual rankings, JUST Capital collects and analyzes corporate data to determine how America's largest corporations measure up against the public's priorities for just business behavior, as identified in ongoing opinion polls involving over 150,000 participants. JUST evaluated 954 companies across five stakeholder groups and 20 issues to produce the 2022 rankings, including the JUST 100 list. Companies were drawn from the Russell 1000 Index, which represents over 90% of the U.S. stock market value.

"We've entered a new era of accountability where employees, customers, and investors want to understand if companies are not just talking the talk, but walking the walk to drive change on the critical issues of our time," said Martin Whittaker, CEO of JUST Capital. "The companies featured in the 2022 JUST 100 are demonstrating that purpose and profits can go hand in hand by delivering value to all stakeholders, including shareholders."

Kimberly-Clark's inclusion in the 2022 JUST 100 builds on the company's recent recognition as one of Barron's 100 Most Sustainable Companies, Fortune's World's Most Admired Companies, Ethisphere's World's Most Ethical Companies, and Forbes' Best Employers for Diversity.
