INTRODUCTORY STATEMENT

The MBFC, by a separate Official Statement, is offering for sale the MBFC Bonds in the aggregate principal amount of \$40,000,000. The proceeds of the MBFC Bonds will be loaned to the Company pursuant to the Agreement between the Company and the MBFC. The Company will use the proceeds of such loan to provide for the financing of certain spunbond machinery to be installed or reconstructed at the Company's production facilities located in Alcorn County, Mississippi (the "Project"). This Prospectus is provided to furnish information with respect to the Agreement and the Debenture. Information concerning the MBFC Bonds is set forth in the Official Statement.

The MBFC Bonds will be issued under a Trust Indenture dated as of June 1, 1994 (the "Indenture") among the MBFC, Bank of America Texas, National Association (the "Trustee"), and, for certain limited purposes, the Company. Pursuant to the Agreement, the Company will agree to make payments sufficient to pay when due the principal of and interest on the MBFC Bonds. The Company's payment obligations under the Agreement will be evidenced by the Debenture. The only source of payment for the MBFC Bonds will be the Company's payments under the Agreement and the Debenture. Pursuant to the Indenture, the MBFC will assign to the Trustee certain of its rights under the Agreement, including its right to receive the Debenture, for the benefit of the holders of the MBFC Bonds. The Debenture will be issued pursuant to the Company's First Amended and Restated Indenture to Bank of America National Trust and Savings Association (the "Debenture Trustee"), dated as of March 1, 1988, as amended (the "Debenture Indenture"). The Debenture will be held by the Trustee and may not be transferred except to a successor trustee under the Indenture. The Debenture will provide for payment of principal and interest at the times and in the amounts corresponding to the payments then due on the MBFC Bonds. The Trustee, as the sole holder of the Debenture, will be the only party that may enforce any rights under the Debenture Indenture, including the covenants contained therein, subject to the rights of the holders of the MBFC Bonds, as described in the Official Statement. The Bonds will not be secured by any mortgage or other security interest in the Project or any other property of the Company.

THE AGREEMENT

The Agreement will provide for the financing by the MBFC for the acquisition, construction and installation of the Project by the Company. The MBFC will obtain funds to finance the Project by issuing the MBFC Bonds and will loan the proceeds thereof to the Company by depositing the net proceeds (exclusive of accrued interest on the MBFC Bonds) with the Trustee in a Construction Fund to be used for the payment of the costs of the Project. (Section 3.2)

CONSTRUCTION OF THE PROJECT

Moneys in the Construction Fund will be withdrawn by requisition of the Company to pay the cost of acquiring, constructing, and installing the Project. (Section 3.2) If such moneys are insufficient to pay the cost of completing the Project, the Company is required to pay the remainder of such costs. (Section 3.3) The Company may modify or delete any unit or portion of the Project which is, in the opinion of the Company, not required for the efficient operation of the Project. (Section 3.4)

PAYMENT OBLIGATIONS UNDER THE AGREEMENT

The Company agrees in the Agreement to make payments to the Trustee for the benefit of the MBFC Bondholders in amounts corresponding to the principal and interest payments on the MBFC Bonds. (Sections 4.2 and 4.3) In addition, the Company agrees to pay the fees and expenses of the Trustee and the expenses of the MBFC under the Indenture. (Sections 5.3 and 5.4) To evidence its payment obligation under the Agreement, the Company will deliver the Debenture to the Trustee. See "The Debenture." (Section 4.3) The Agreement provides that the Company's obligation to make payments on the Debenture is absolute and unconditional. (Section 4.5)

CERTAIN COVENANTS OF THE COMPANY

Maintenance of Corporate Existence. The Company may merge or consolidate with or into another corporation or transfer all or substantially all of its property and assets to any other corporation; provided, that any such consolidation, merger, sale or transfer shall be upon the condition that the due and punctual payment of the principal of and interest on the Debenture according to its tenor, and the due and punctual performance and observance of all the terms, covenants and conditions of the Agreement to be kept or performed by the Company shall be

assumed by the corporation formed by such consolidation or into which the Company shall have merged, or the corporation which shall have acquired by sale or transfer all or substantially all of the property and assets of the Company. (Section 5.2)

Operation and Maintenance of the Project. The Company agrees that it will maintain and operate the Project during its useful life or as otherwise required under Section 57-10-401 et seq. of the Mississippi Code of 1972, as amended and supplemented (the "Mississippi Act"), but the Company is not required to occupy or operate the Project or any portion of any other property after it is no longer economical and feasible, in the Company's judgment, to do so and the Company may sell all or any portion of the Project or any other property or merge or consolidate with another corporation, subject to the immediately preceding paragraph. (Section 5.1)

DEFAULTS AND REMEDIES

The Agreement specifies certain events of default thereunder, including (i) failure by the Company to pay principal of the Debenture when due; (ii) failure by the Company to pay when due any installment of interest on the Debenture and the continuation of such failure for 30 days; (iii) failure by the Company to observe and perform any other covenant, condition or agreement under the Agreement or the Debenture for a period of 90 days after written notice specifying such failure and requesting that it be remedied, provided, that if such failure is of such nature that it can be corrected (as agreed to by the Trustee), but not within such period, the same shall not constitute an event of default so long as the Company institutes prompt corrective action and diligently pursues the same; (iv) certain events of reorganization, liquidation or bankruptcy of the Company; (v) acceleration of the MBFC Bonds under the Indenture; and (vi) acceleration of the Debenture under the Debenture Indenture. Upon the occurrence of an event of default, the MBFC or the Trustee may accelerate the amounts payable under the Agreement and the Debenture and take whatever other action at law or in equity as may be available. (Section 6.1)

THE INDENTURE

The following, in addition to information contained above under the heading "Introductory Statement" summarizes certain provisions of the Indenture.

GENERAL

The Indenture constitutes an assignment by the MBFC to the Trustee, in trust to secure payment of the MBFC Bonds (including any additional bonds issued thereunder), of all of the MBFC's right, title and interest in, to and under the Agreement and the Debenture (except the MBFC's rights to payment of expenses and indemnification). The Indenture provides for the issuance of the MBFC Bonds, defines the terms thereof and determines the duties of the Trustee and the rights of the MBFC Bondholders. The terms and provisions of the MBFC Bonds are described in the Official Statement intended to accompany delivery of this Prospectus.

ADDITIONAL BONDS

The Indenture provides that additional bonds of a series other than that of the MBFC Bonds may be issued to finance the completion of the Project, including any additional facilities to be financed under the Agreement, or to refund all or part of the outstanding bonds of any series issued under the Indenture to the extent permitted by the terms thereof. Such additional bonds will be equally and ratably secured under the Indenture with the MBFC Bonds, without priority or distinction. (Section 3.02)

CONSTRUCTION FUND; BOND FUND

The net proceeds of the MBFC Bonds (other than accrued interest) shall be credited to the Construction Fund established under the Indenture for disbursement to or at the order of the Company for payment of the costs of the Project as such costs are incurred. (Section 3.03)

From the net proceeds of the MBFC Bonds, there shall be credited to the Bond Fund established under the Indenture an amount equal to the accrued interest paid by the initial purchasers. (Section 3.03) All Debenture payments shall be credited as received to the Bond Fund. Moneys in the Bond Fund shall be used solely for payment when due of the principal of and interest on the MBFC Bonds. (Section 5.02)

INVESTMENTS

The Indenture provides that moneys received by the Trustee under the Indenture shall be invested or deposited at the request of the Company as provided in the Indenture, which investments may include, to the extent permitted by law, other obligations of the Company. The interest and income received upon investments of amounts held in the Construction Fund or the Bond Fund and any profit or loss resulting from the sale of any investment shall be added or charged to such Fund and the Company will reimburse such Fund for any losses. (Section 6.02)

DEFAULTS AND REMEDIES

The Indenture specifies certain events of default thereunder including (i) failure to pay principal of any MBFC Bond when due at maturity; (ii) failure to pay when due interest on any MBFC Bond and the continuation of such failure for 30 days; or (iii) the occurrence of any event of default under the Agreement. (Section 9.01) Upon the occurrence of any event of default the Trustee may, and upon the written request of the holders of 25% in aggregate principal amount of the MBFC Bonds outstanding under the Indenture shall, accelerate the MBFC Bonds and the unpaid portion of the Debenture, and may take such actions at law or in equity to enforce the rights of the MBFC Bondholders under the Agreement and the Debenture. (Sections 9.02, 9.03 and 9.04)

If after the principal of the MBFC Bonds outstanding under the Indenture has been so declared to be due and payable, all arrears of interest on the MBFC Bonds (and interest on overdue installments of interest at the rate borne by the MBFC Bonds) are paid or caused to be paid by the MBFC and the MBFC performs all other things in respect of which it may have been in default under the Indenture and pays the reasonable charges of the Trustee, the MBFC Bondholders and any trustee appointed under the Mississippi Act, the holders of a majority in principal amount of the MBFC Bonds then outstanding, by notice to the MBFC and to the Trustee, may annul such declaration and its consequences and such annulment shall be binding upon the Trustee and upon all holders of MBFC Bonds; but no such annulment shall extend to or affect any subsequent default or impair any right or remedy consequent thereon. (Section 9.02)

No MBFC Bondholder shall have any right to pursue any remedy under the Indenture, the Debenture or the Agreement unless (i) the Trustee shall have been given written notice of an event of default; (ii) the holders of at least 25% in principal amount of the MBFC Bonds outstanding respecting which there has been an event of default shall have requested the Trustee, in writing, to exercise its powers under the Indenture or pursue a remedy; (iii) the Trustee shall have been offered satisfactory indemnity against its costs, expenses and liabilities; and (iv) the Trustee shall have failed to comply with such request within a reasonable time; provided, however, that nothing in the Indenture shall preclude any MBFC Bondholder from bringing suit for unpaid principal or interest on an MBFC Bond. (Section 9.07)

Any moneys received by the Trustee following an event of default shall be applied first to the payment of the expenses of the Trustee including reasonable counsel fees, any disbursements of the Trustee with interest thereon and its reasonable compensation and all other amounts owed to

the Trustee under the Indenture and the Agreement; second, to the payment of the expenses of the MBFC, including reasonable counsel fees, actually incurred in connection with the Project and remaining unpaid; and third, to the payment of principal and interest then owing on the MBFC Bonds, including any interest on overdue interest, and in case such moneys shall be insufficient to pay the same in full, then to the payment of principal and interest ratably, without preference or priority of one over another or of any installment of interest over any other installment of interest. (Section 9.10)

SUPPLEMENTAL INDENTURES; AMENDMENT OF AGREEMENT

Subject to the conditions and restrictions in the Indenture and with the prior consent of the Company, the MBFC may enter into an indenture or indentures supplemental thereto without notice to or consent of the MBFC Bondholders to (i) set forth any or all of the matters in connection with the issuance of additional bonds; (ii) add additional covenants of the MBFC or to surrender any right or power conferred upon the MBFC by the Indenture; or (iii) cure any ambiguity or to cure, correct or supplement any defective provision of the Indenture in such manner as shall not be inconsistent with the Indenture and shall not impair the security thereof or adversely affect the MBFC Bondholders. (Section 12.01) The Indenture may be otherwise amended from time to time with the prior written consent of the Company (except with respect to amounts due on the MBFC Bonds, payment dates and provisions for amendment) by a supplemental indenture approved by the holders of at least 66 2/3% in aggregate principal amount of the MBFC Bonds then outstanding. (Section 12.02)

The Agreement, the Debenture and the Debenture Indenture may be amended with the consent of the Trustee, provided that any amendment which would adversely affect any MBFC Bondholder must be consented to by the holders of at least 66 2/3% in aggregate principal amount of the MBFC Bonds then outstanding and further provided that no amendment shall be consented to by the Trustee which would decrease the amounts payable under the Agreement or the Debenture, change the date of payment under the Agreement or the Debenture or change the amendment provisions thereof. (Section 12.03)

DEFEASANCE

When the principal of and interest on all MBFC Bonds and all other amounts due under the Indenture and the Agreement have been paid, or provision has been made for payment of the same and all other sums payable under the Indenture, the Trustee's right, title and interest in the Agreement and the Debenture and the moneys payable thereunder shall thereupon cease and the Trustee, on demand of the MBFC, shall release the Indenture and shall turn over to the Company all balances then held by it under the Indenture not required for the payment of the MBFC Bonds and such other sums provided, that (i) the Trustee has received from, or there has been published by, the Internal Revenue Service a ruling or regulation which, in the opinion of counsel, provides that holders of the MBFC Bonds will not recognize income, gain or loss for federal income tax purposes as a result of such payment and defeasance and will be subject to federal income tax on the same amount, in the same manner and at the same times as would have been the case if such payment and defeasance had not occurred and (ii) the Company has delivered to the Trustee an opinion of counsel to the effect that the MBFC Bonds, if then listed on any securities exchange, will not be delisted as a result of such payment and defeasance. If such payment or provision therefor has been made with respect to all the MBFC Bonds, the interest of the Trustee in the Agreement and the Debenture shall cease. (Section 13.01)

Without limiting the generality of the foregoing, provision for the payment of the MBFC Bonds shall be deemed to have been made upon the delivery to the Trustee of (i) cash in an amount sufficient to make all payments specified above, (ii) non-callable direct obligations of the United States of America, maturing on or before the date or dates when the payments specified above shall become due, the principal amount of which and the interest thereon, when due, is or will be, in the

aggregate, sufficient without reinvestment to make all such payments or (iii) any combination of cash and such obligations. (Section 13.01)

In the event that moneys or obligations are deposited with the Trustee to be applied to the payment of the principal of any MBFC Bonds more than 60 days following the deposit thereof, the Trustee shall provide notice in the manner set forth in the Indenture stating that such moneys or obligations have been deposited and shall identify the MBFC Bonds for the payment of which such moneys or obligations are being held. (Section 13.01)

The Debenture Indenture also provides for defeasance. See "The Debenture Indenture -- Defeasance and Covenant Defeasance."

CONCERNING THE TRUSTEE

The Indenture specifies the duties and responsibilities of the Trustee and permits the Trustee to own any MBFC Bonds and engage in other transactions with the MBFC or the Company. The Trustee and the Debenture Trustee are each wholly owned subsidiaries of Bank America Corporation. The Company maintains certain relationships with the Debenture Trustee. See "The Debenture Indenture -- Regarding the Debenture Trustee." (Article X)

THE DEBENTURE

The Debenture will be in the aggregate principal amount of \$40,000,000 and will mature on June 1, 2004. The Debenture will bear interest at the rate per annum shown on the cover page of this Prospectus from June 1, 1994, payable semi-annually on June 1 and December 1 of each year, commencing December 1, 1994. (Sections 301 and 307) The Debenture will not be redeemable prior to its maturity and will not be entitled to the benefit of any sinking fund.

The Debenture will be an unsecured obligation of the Company. The Debenture will be issued to and registered in the name of the Trustee and may not be transferred except to a successor trustee under the Indenture. The Debenture will provide for payment of principal and interest at the times and in the amounts corresponding to the payments then due on the MBFC Bonds. The Trustee, as the sole holder of the Debenture, will be the only party that may enforce any rights under the Debenture Indenture, including the covenants contained therein, subject to the rights of the holders of the MBFC Bonds as described in the Official Statement.

THE DEBENTURE INDENTURE

The Debenture is to be issued under a First Amended and Restated Indenture, dated as of March 1, 1988 between the Company and Bank of America National Trust and Savings Association, as successor trustee (the "Debenture Trustee"), as amended, between the Company and the Debenture Trustee (the "Debenture Indenture").

GENERAL

The Debenture will be an unsecured obligation of the Company and will rank on a parity with all other currently outstanding unsecured and unsubordinated indebtedness of the Company. The Debenture Indenture does not limit the aggregate principal amount of debt securities or of any particular series and provides that debt securities may be issued thereunder from time to time in one or more series.

The covenants contained in the Debenture Indenture and the Debenture would not necessarily afford any holder of the Debenture protection in the event of a highly leveraged or other transaction involving the Company which may adversely affect any holder of the Debenture.

RESTRICTIVE COVENANTS

Liens. The Company covenants that it will not, and will not permit any Restricted Subsidiary to, issue, assume or guarantee any indebtedness for borrowed money (hereafter called "indebtedness") secured by a mortgage, security interest, pledge or lien (hereafter called "mortgage") of or upon any Principal Property, or any shares of capital stock or indebtedness of any Restricted Subsidiary, whether owned at the date of the Debenture Indenture or thereafter acquired, without effectively providing that the debt securities, including but not limited to the Debenture, issued under the Debenture Indenture (the "Debt Securities") (together with, if the Company shall so determine, any other indebtedness issued, assumed or guaranteed by the Company or any Restricted Subsidiary and then existing or thereafter created) shall be secured by such mortgage equally and ratably with (or, at the option of the Company, prior to) such indebtedness. The foregoing restrictions, however, shall not apply to (i) mortgages of or upon any property acquired, constructed or improved by, of or upon any shares of capital stock or indebtedness acquired by, the Company or any Restricted Subsidiary after the date of the Debenture Indenture to secure indebtedness incurred for the purpose of financing all or any part of the purchase price of any property, shares of capital stock or indebtedness or of the cost of any construction or improvements on such property, which indebtedness is incurred prior to or within 360 days after such acquisition, completion of such construction or the commencement of the commercial operation of such property; (ii) mortgages of or upon any property, shares of capital stock or indebtedness existing at the time of acquisition thereof by the Company or any Restricted Subsidiary; (iii) mortgages of or upon property of a corporation existing at the time such corporation is merged with or into or consolidated with the Company or any Restricted Subsidiary or at the time of a sale or transfer of the properties of a corporation as an entirety or substantially as an entirety to the Company or any Restricted Subsidiary; (iv) mortgages of or upon any property of, or shares of capital stock or indebtedness of, any corporation existing at the time such corporation becomes a Restricted Subsidiary; (v) mortgages to secure indebtedness of any Restricted Subsidiary to the Company or another Restricted Subsidiary or to secure indebtedness of the Company to any Restricted Subsidiary; (vi) mortgages in favor of governmental bodies to secure advance or progress payments pursuant to any contract or statute or to secure indebtedness incurred or guaranteed to finance or refinance all of any part of the purchase price of the property, shares of capital stock or indebtedness subject to, or the cost of constructing or improving the property subject to, such mortgages; and (vii) extensions, renewals or replacements of any mortgage existing on the date of the Debenture Indenture or any mortgage referred to in the foregoing clauses (i) through (vi), inclusive. (Section 1004) For additional information as to mortgages on property, see "Defeasance and Covenant Defeasance."

Notwithstanding the restrictions outlined above, the Company or any Restricted Subsidiary may, without equally and ratably securing the Debt Securities, issue, assume or guarantee indebtedness secured by a mortgage not excepted under clauses (i) through (vii) above, if the aggregate amount of such indebtedness, together with all other indebtedness secured by mortgages not so excepted and the Attributable Debt existing in respect of Sale and Lease-Back Transactions (other than Sale and Lease-Back Transactions in respect of which amounts equal to the Attributable Debt relating to the transactions shall have been applied, within 360 days after the effective date of the arrangement, to the prepayment or retirement (other than any mandatory prepayment or retirement) of long-term indebtedness and Sale and Lease-Back Transactions in which the property involved would have been permitted to be mortgaged under clause (i) or (vi) above), does not at the time exceed 5% of Consolidated Net Tangible Assets. (Section 1004)

The sale, mortgage or other transfer of timber in connection with an arrangement under which the Company or any Restricted Subsidiary is obligated to cut such timber or a portion thereof in order to provide the transferee with a specified amount of money however determined shall not be deemed to create indebtedness secured by a mortgage or to constitute a mortgage securing any indebtedness or to constitute a Sale and Lease-Back Transaction. (Section 1004)

Sales and Lease-Backs. Sale and Lease-Back Transactions by the Company or any Restricted Subsidiary of any Principal Property are prohibited unless (i) the Company or such Restricted Subsidiary would be entitled, without equally and ratably securing the Debt Securities, to incur indebtedness secured by a mortgage on the property to be leased pursuant to clause (i) or (vi) under the subsection Liens above, or (ii) the Company or such Restricted Subsidiary would be entitled, without equally and ratably securing the Debt Securities, to incur indebtedness secured by a mortgage on such property in an amount at least equal to the Attributable Debt in respect of the Sale and Lease-Back Transaction, or (iii) the Company shall apply, within 360 days after the effective date of the arrangement, an amount equal to the Attributable Debt in respect of the transaction to the prepayment or retirement (other than any mandatory prepayment or retirement) of long-term indebtedness of the Company or any Restricted Subsidiary. (Section 1005) For additional information as to Sale and Lease-Back Transactions, see "Defeasance and Covenant Defeasance."

Definitions. "Attributable Debt" in respect of a Sale and Lease-Back Transaction means, as of any particular time, the present value (discounted at the rate of interest implicit in the lease involved in such Sale and Lease-Back Transaction, as determined in good faith by the Company) of the obligation of the lessee thereunder for rental payments (excluding, however, any amounts required to be paid by such lessee, whether or not designated as rent or additional rent, on account of maintenance and repairs, insurance, taxes, assessments, water rates or similar charges or any amounts required to be paid by such lessee thereunder contingent upon the amount of sales, maintenance and repairs, insurance, taxes, assessments, water rates or similar charges) during the remaining term of such lease (including any period for which such lease has been extended or may, at the option of the lessor, be extended). (Section 101)

"Consolidated Net Tangible Assets" means, as of any particular time, the total amount of assets (less applicable reserves) after deducting therefrom (i) all current liabilities (excluding any thereof which are by their terms extendible or renewable at the option of the obligor thereon to a time more than 12 months after the time as of which the amount thereof is being computed and excluding current maturities of long-term indebtedness) and (ii) all goodwill, trade names, trademarks, patents, unamortized debt discount and expense and other like intangible assets, all as shown in the audited consolidated balance sheet of the Company and subsidiaries contained in the Company's then most recent annual report to stockholders, except that assets shall include an amount equal to the Attributable Debt in respect of any Sale and Lease-Back Transaction not capitalized on such balance sheet. (Section 101)

"Principal Property" means any mill, manufacturing plant, manufacturing facility or Timberland, located within the United States of America (other than its territories or possessions and other than Puerto Rico), having a gross book value in excess of 1% of Consolidated Net Tangible Assets at the time of determination thereof and owned by the Company or any Restricted Subsidiary, in each case other than (i) any such mill, plant, facility or Timberland which, in the opinion of the Board of Directors of the Company, is not of material importance to the total business conducted by the Company and its Restricted Subsidiaries taken as a whole, (ii) any portion of such a mill, plant, facility or Timberland similarly found not to be of material importance to the use or operation thereof or (iii) any ores, metals, fossils, elements, gasses, oil, minerals, geothermal resources and rights thereto and any plant or facility used for the extraction or processing thereof. (Section 101)

"Restricted Subsidiary" means any Subsidiary (i) substantially all of the property of which is located, or substantially all of the business of which is carried on, within the United States of America (other than its territories or possessions and other than Puerto Rico) and (ii) which owns a Principal Property; provided however that any Subsidiary which is principally engaged in financing operations outside the United States of America or which is principally engaged in leasing or in financing installment receivables shall not be a Restricted Subsidiary. (Section 101)

"Sale and Lease-Back Transaction" means any arrangement with any Person providing for the leasing by the Company or any Restricted Subsidiary of any Principal Property, whether owned at

the date of the Debenture Indenture or thereafter acquired (except for temporary leases for a term, including any renewal thereof, of not more than three years and except for leases between the Company and any Restricted Subsidiary, between any Restricted Subsidiary and the Company or between Restricted Subsidiaries), which property has been or is to be sold or transferred by the Company or such Restricted Subsidiary to such Person with the intention of taking back a lease of such property. (Section 101)

"Subsidiary" means any corporation more than 50% of the outstanding voting stock of which is at the time owned, directly or indirectly, by the Company and/or one or more of its other Subsidiaries. (Section 101)

"Timberland" means any real property owned by the Company or any Restricted Subsidiary which contains standing timber which is (or upon completion of a growth cycle then in process is expected to become) of a commercial quantity and of merchantable quality, excluding, however, any such real property which at the time of determination is designated by the Board of Directors of the Company as being held primarily for development or sale, rather than primarily for the production of timber. (Section 101)

CONSOLIDATIONS, MERGERS AND SALES OF ASSETS BY THE COMPANY

Nothing in the Debenture Indenture or in any of the Debt Securities shall prevent any consolidation of the Company with or merger of the Company into any other corporation or shall prevent any sale or transfer of all or substantially all of the property and assets of the Company to any other corporation; provided, however, and the Company covenants and agrees, that any such consolidation, merger, sale or transfer shall be upon the condition that the due and punctual payment of the principal of, and premium, if any, and interest on, all the Debt Securities according to their tenor, and the due and punctual performance and observance of all the terms, covenants and conditions of the Debenture Indenture to be kept or performed by the Company shall, by an indenture supplemental to the Debenture Indenture, executed and delivered to the Debenture Trustee, be assumed by the corporation formed by such consolidation or into which the Company shall have merged, or the corporation which shall have acquired by sale or transfer all or substantially all of the property and assets of the Company. (Section 801)

If, upon any such consolidation or merger, or upon any such sale or transfer, any Principal Property of the Company or of any Restricted Subsidiary or any shares of capital stock or indebtedness of any Restricted Subsidiary, owned immediately prior thereto, would thereupon become subject to any mortgage, security interest, pledge or lien securing any indebtedness for borrowed money of, or guaranteed by, such other corporation (other than any mortgage, security interest, pledge or lien permitted as described in the first two paragraphs under "Liens" above), the Company, prior to such consolidation, merger, sale or transfer, will by indenture supplemental to the Debenture Indenture secure the due and punctual payment of the principal of, and premium, if any, and interest on the Debt Securities (together with, if the Company shall so determine, any other indebtedness of, or guaranteed by, the Company or any Restricted Subsidiary and then existing or thereafter created) equally and ratably with (or, at the option of the Company, prior to) the indebtedness secured by such mortgage, security interest, pledge or lien. (Section 802) For additional information as to liens on property in certain events, see "Defeasance and Covenant Defeasance."

EVENTS OF DEFAULT

The following will be Events of Default under the Debenture Indenture with respect to Debt Securities of any series: (i) default in payment of principal of or premium, if any, on any Debt Security of that series when due; (ii) default in payment of any interest on any Debt Security of that series when due, continued for 30 days; (iii) default in the deposit of any sinking fund payment, when due, in respect of any Debt Security of that series; (iv) default in the performance of any other

covenant of the Company in the Debenture Indenture (other than a covenant included in the Debenture Indenture solely for the benefit of series of Debt Securities other than that series), continued for 90 days after written notice as provided in the Debenture Indenture; (v) certain events in bankruptcy, insolvency or reorganization; and (vi) any other Event of Default provided with respect to Debt Securities of that series. No Event of Default with respect to a particular series of Debt Securities issued under the Debenture Indenture (except as to such events in bankruptcy, insolvency or reorganization) necessarily constitutes an Event of Default with respect to any other series of Debt Securities issued thereunder. (Section 501)

If an Event of Default with respect to Debt Securities of any series at the time Outstanding shall occur and be continuing, then and in every such case the Debenture Trustee or the Holders of not less than 25% in principal amount of the Outstanding Debt Securities of that series may, by a notice in writing to the Company (and to the Debenture Trustee if given by Holders), declare to be due and payable immediately the principal amount (or, if the Debt Securities of that series are Original Issue Discount Securities, such portion of the principal amount as may be specified in the terms of that series) of all Debt Securities of that series. However, at any time after such a declaration of acceleration with respect to Debt Securities of any series has been made, but before the Stated Maturity thereof, the Holders of a majority in principal amount of Outstanding Debt Securities of that series may, subject to certain conditions, rescind and annul such acceleration if all Events of Default, other than the non-payment of accelerated principal, with respect to Debt Securities of that series, have been cured or waived as provided in the Debenture Indenture. (Section 502) For information as to waiver of defaults, see "Modification of the Debenture Indenture and Waiver of Covenants."

Subject to the provision of the Debenture Indenture relating to the duties of the Debenture Trustee in case an Event of Default shall occur and be continuing, the Debenture Indenture provides that the Debenture Trustee will be under no obligation to exercise any of its rights or powers under the Debenture Indenture at the request or direction of any of the Holders, unless such Holders shall have offered to the Debenture Trustee reasonable security and indemnity. (Sections 601 and 603) Subject to such provisions for security and indemnification of the Debenture Trustee and certain other rights of the Debenture Trustee, the Holders of a majority in principal amount of the Outstanding Debt Securities of any series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Debenture Trustee or exercising any trust or power conferred on the Debenture Trustee with respect to the Debt Securities of that series. (Section 512)

No Holder of any Debt Security of any series will have any right to institute any proceeding with respect to the Debenture Indenture or for any remedy thereunder, unless such Holder shall have previously given to the Debenture Trustee written notice of a continuing Event of Default with respect to Debt Securities of that series and unless also the Holders of at least 25% in principal amount of the Outstanding Debt Securities of that series shall have made written request, and offered reasonable security and indemnity, to the Debenture Trustee to institute such proceeding as trustee, and the Debenture Trustee shall not have received from the Holders of a majority in principal amount of the Outstanding Debt Securities of that series a direction inconsistent with such request and shall have failed to institute such proceeding within 60 days. (Section 507) However, the Holder of any Debt Security will have an absolute right to receive payment of the principal of, premium, if any and any interest on such Debt Security on or after the due dates expressed in such Debt Security and to institute suit for the enforcement of any such payment. (Section 508)

The Debenture Indenture requires the Company to furnish to the Debenture Trustee annually a statement as to the absence of certain defaults under the Debenture Indenture. (Section 1007) The Debenture Indenture provides that the Debenture Trustee may withhold notice to the Holders of Debt Securities of any series of any default (except in payment of principal or any premium or interest or in sinking fund payments) with respect to Debt Securities of such series if it considers it in the interest of the Holders of Debt Securities of such series to do so. (Section 602)

DEFEASANCE AND COVENANT DEFEASANCE

The Debenture Indenture provides that, if applicable, the Company will be discharged from any and all obligations in respect of the Outstanding Securities (as those terms are defined in the Debenture Indenture) of any series (except for certain obligations to register the transfer or exchange of Outstanding Securities of such series, to replace stolen, lost or mutilated Outstanding Securities of such series, to maintain paying agencies and to hold monies for payment in trust) upon the irrevocable deposit with the Debenture Trustee, in trust, of money and/or U.S. Government Obligations (as defined in the Debenture Indenture) which through the payment of interest and principal in respect thereof in accordance with their terms will provide money in an amount sufficient to pay the principal of and premium, if any, and each installment of interest, if any, on the Outstanding Securities of such series on the Stated Maturity or Redemption Date of such payments in accordance with the terms of the Debenture Indenture and the Outstanding Securities of such series. Such a trust may only be established if, among other things, (i) the Company has received from, or there has been published by, the Internal Revenue Service a ruling which, in the Opinion of Counsel (who may be counsel for the Company), provides that Holders of the Outstanding Securities of such series will not recognize income, gain or loss for federal income tax purposes as a result of such deposit, defeasance and discharge and will be subject to federal income tax on the same amount, in the same manner and at the same times as would have been the case if such deposit, defeasance and discharge had not occurred and (ii) the Company has delivered to the Debenture Trustee an Opinion of Counsel (who may be counsel for the Company) to the effect that the Outstanding Securities of such series, if then listed on any securities exchange, will not be delisted as a result of such deposit, defeasance and discharge. (Section 402)

The Debenture Indenture provides that, if applicable, the Company may omit to comply with the restrictive covenants contained in Sections 802 (Securities to be Secured in Certain Events), 1004 (Limitations on Liens), 1005 (Limitation on Sale and Lease-Back) and 1007 (Statement by Officers as to Default) of the Debenture Indenture, and that such omission shall not be deemed to be an Event of Default under the Debenture Indenture and the Outstanding Securities of any series, upon the irrevocable deposit with the Debenture Trustee, in trust, of money and/or U.S. Government Obligations which through the payment of interest and principal in respect thereof in accordance with their terms will provide money in an amount sufficient to pay the principal of and premium, if any, and each installment of interest on the Outstanding Securities of such series on the Stated Maturity or Redemption Date of such payments in accordance with the terms of the Debenture Indenture and the Outstanding Securities of such series. The obligations of the Company under the Debenture Indenture and the Outstanding Securities of such series other than with respect to the covenants referred to above and the Events of Default other than the Event of Default referred to above shall remain in full force and effect. Such a trust may only be established if, among other things, the Company has delivered to the Debenture Trustee an Opinion of Counsel (who may be counsel for the Company) to the effect that (i) the Holders of the Outstanding Securities of such series will not recognize income, gain or loss for federal income tax purposes as a result of such deposit and defeasance and will be subject to federal income tax on the same amount, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred and (ii) the Outstanding Securities of such series, if then listed on any securities exchange, will not be delisted as a result of such deposit and defeasance. (Section 1006)

In the event the Company exercises its option to omit compliance with certain covenants of the Debenture Indenture with respect to the Outstanding Securities of any series as described above and the Outstanding Securities of such series are declared due and payable because of the occurrence of any Event of Default other than the Event of Default described in the preceding paragraph, the amount of money and U.S. Government Obligations on deposit with the Debenture Trustee will be sufficient to pay amounts due on the Outstanding Securities of such series at the time of their Stated Maturity or Redemption Date but may not be sufficient to pay amounts due on

the Outstanding Securities of such series at the time of the acceleration resulting from such Event of Default. However, the Company shall remain liable for such payments.

MODIFICATION OF THE DEBENTURE INDENTURE AND WAIVER OF COVENANTS

Modifications and amendments of the Debenture Indenture may be made by the Company and the Debenture Trustee with the consent of the Holders of 66 2/3% in principal amount of the Outstanding Debt Securities of each series affected by such modifications or amendments; provided, however, that no such modification or amendment may, without the consent of the Holder of each Outstanding Debt Security affected thereby, (i) change the stated maturity date of the principal of, or any installment of principal of or interest on, any Debt Security; (ii) reduce the principal amount of, or the premium (if any) or any interest on any Debt Security or reduce the amount of principal of an Original Issue Discount Security that would be due and payable upon acceleration; (iii) change the place or currency of payment of principal of, or premium, if any, or interest on, any Debt Security; (iv) impair the right to institute suit for the enforcement of any payment on or with respect to any Debt Security after the stated maturity date; or (v) reduce the percentage in principal amount of Outstanding Debt Securities of any series, the consent of whose Holders is required for modification or amendment of the Debenture Indenture, for waiver of compliance with certain provisions of the Debenture Indenture or for waiver of certain defaults. (Section 902)

The Holders of 66 2/3% in principal amount of the Outstanding Debt Securities of any series may on behalf of the Holders of all Debt Securities of that series waive, insofar as that series is concerned, compliance by the Company with certain restrictive provisions of the Debenture Indenture. (Section 1007) The Holders of a majority in principal amount of the Outstanding Debt Securities of any series may on behalf of the Holders of all Debt Securities of that series waive any past default under the Debenture Indenture with respect to that series, except a default in the payment of the principal of, premium, if any, or any interest on any Debt Security of that series or in respect of a provision which under the Debenture Indenture cannot be modified or amended without the consent of the Holder of each Outstanding Debt Security of that series affected. (Section 513)

The Company maintains banking relationships in the ordinary course of business with Bank of America National Trust and Savings Association, the Debenture Trustee under the Debenture Indenture, and has a revolving credit agreement in the amount of \$150 million with such bank. Certain debt securities of the Company are currently outstanding under the Debenture Indenture. The Debenture Trustee and the Trustee are each wholly owned subsidiaries of Bank America Corporation.
