PROXY STATEMENT

PART ONE VOTING INFORMATION

The accompanying proxy is solicited on behalf of the Board of Directors of Kimberly-Clark Corporation for use at the Annual Meeting of Stockholders to be held on April 26, 2007 and at any adjournment of the Annual Meeting. We are first mailing this proxy statement and the accompanying proxy to holders of Kimberly-Clark common stock on March 14, 2007.

Who May Vote

Each stockholder of record at the close of business on February 26, 2007 will be entitled to one vote for each share registered in the stockholder's name. As of that date, there were outstanding [] shares of our common stock.

How You May Vote

You may vote in person by attending the meeting, by completing and returning a proxy by mail, or by using the Internet or telephone. To vote your proxy by mail, mark your vote on the enclosed proxy card, then follow the instructions on the card. To vote your proxy using the Internet or telephone, see the instructions on the proxy form and have the proxy form available when you access the Internet website or place your telephone call.

The named proxies will vote your shares according to your directions. If you sign and return your proxy but do not make any of the selections, the named proxies will vote your shares for the election of directors, for approval of the selection of our independent auditors, for approval of the proposal for annual election of directors and against approval of the stockholder proposals.

How You May Revoke or Change Your Vote

You may revoke your proxy before the time of voting at the meeting in any of the following ways:

- by mailing a revised proxy to the Secretary of the Corporation
- by changing your vote on the Internet website
- by using the telephone voting procedures
- by voting in person at the meeting

Confidential Voting

Proxy cards are received by our independent proxy processing agent, and the vote is certified by independent Inspectors of Election. Proxy cards and ballots that identify the vote of stockholders and plan participants will be kept confidential, except as necessary to meet legal requirements, in cases where stockholders and participants request disclosure or write comments on their cards, or in a contested matter involving an opposing proxy solicitation. During the proxy solicitation period, we will receive daily tabulation reports from the independent proxy processing agent, but these reports provide only aggregate data. In addition, the agent will identify stockholders who fail to vote so that we may contact them and request they do so.

Costs of Solicitation

Kimberly-Clark will bear the cost of preparing, printing and delivering materials in connection with this solicitation of proxies including the cost of the proxy solicitation and the expenses of brokers, fiduciaries and other nominees in forwarding proxy material to beneficial owners. In addition to the use of mail and electronic delivery, solicitation may be made by telephone or otherwise by our employees. We have retained D. F. King & Co., Inc. to aid in the solicitation at a cost of approximately \$14,000 plus reimbursement of out-of-pocket expenses.

Votes Required/Voting Procedures

A majority of the shares of our common stock, present in person or represented by proxy, will constitute a quorum for purposes of the Annual Meeting. The three nominees for director receiving a plurality of the votes cast at the meeting in person or by proxy shall be elected, subject to the Board's existing policy regarding resignations by directors who do not receive a majority of "for" votes. The proposed amendment to the company's certificate of incorporation described below in Proposal 3 requires for approval the favorable vote of a majority of shares outstanding as of the record date. All other matters require for approval the favorable vote of a majority of votes cast on the applicable matter at the meeting in person or by proxy. Abstentions are treated as votes against a proposal and broker non-votes will not be considered present and entitled to vote. Generally, a broker non-vote occurs on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner of the shares, and instructions are not given.

Dividend Reinvestment and Stock Purchase Plan

If a stockholder is a participant in our Automatic Dividend Reinvestment and Stock Purchase Plan, the proxy card represents the number of full shares in the stockholder's account in the plan, as well as shares registered in the stockholder's name.

Employee Benefit Plans

We also are sending this proxy statement and voting materials to participants in various Kimberly-Clark employee benefit and stock purchase plans. The trustee of each plan, as the stockholder of record of the shares of our common stock held in the plans, will vote whole shares of stock attributable to each participant's interest in the plans in accordance with the directions the participant gives or, if no directions are given by the participant, in accordance with the directions of the respective plan committee.

Electronic Delivery of Proxy Materials and Annual Report

The Notice of Annual Meeting and proxy statement and our 2006 Annual Report are available in the Investors section of our website at www.kimberly-clark.com. Instead of receiving copies of the proxy statement and annual report in the mail, stockholders may elect to receive an e-mail with a link to these documents on the Internet. Receiving your proxy materials online saves us the cost of producing and mailing documents to your home or business and gives you an automatic link to the proxy voting site. Stockholders may enroll to receive proxy materials online as follows:

- *Stockholders of Record.* If your shares are registered in your own name, to enroll in the electronic delivery service, go directly to our transfer agent's website at www.computershare.com/us/ecomms anytime and follow the instructions.
- *Beneficial Stockholders.* If your shares are not registered in your name, to enroll in the electronic delivery service, check the information provided to you by your bank or broker, or contact your bank or broker for information on electronic delivery service.
- *Plan Participants.* If you are a participant in one or more of our employee benefit or stock purchase plans, to enroll in the electronic delivery service, go directly to our transfer agent's website at www.econsent.com/kmb anytime and follow the instructions.

Delivery of One Proxy Statement and Annual Report to a Single Household to Reduce Duplicate Mailings

Each year in connection with our Annual Meeting, we are required to send to each stockholder of record a proxy statement and annual report, and to arrange for a proxy statement and annual report to be sent to each beneficial stockholder whose shares are held by or in the name of a broker, bank, trust or other nominee. Because many stockholders hold shares of our common stock in multiple accounts or share an address with other stockholders, this process results in duplicate mailings of proxy statements and annual reports. Stockholders may avoid receiving duplicate mailings and save the Corporation the cost of producing and mailing duplicate documents as follows:

- *Stockholders of Record.* If your shares are registered in your own name and you are interested in consenting to the delivery of a single proxy statement or annual report, you may contact Stockholder Services by mail at P.O. Box 612606, Dallas, Texas 75261-2606, by telephone at 972-281-1522 or by e-mail at stockholders@kcc.com.
- *Beneficial Stockholders.* If your shares are not registered in your own name, your broker, bank, trust or other nominee that holds your shares may have asked you to consent to the delivery of a single proxy statement or annual report if there are other Kimberly-Clark stockholders who share an address with you. If you currently receive more than one proxy statement or annual report at your household, and would like to receive only one copy of each in the future, you should contact your nominee.
- *Right to Request Separate Copies.* If you consent to the delivery of a single proxy statement and annual report but later decide that you would prefer to receive a separate copy of the proxy statement or annual report, as applicable, for each stockholder sharing your address, then please notify us or your nominee, as applicable, and we or they will promptly deliver such additional proxy statements or annual reports. If you wish to receive a separate copy of the proxy statement or annual report for each stockholder sharing your address in the future, you may also contact Stockholder Services by mail at P.O. Box 612606, Dallas, Texas 75261-2606, by telephone at 972-281-1522 or by e-mail at stockholders@kcc.com.

PART TWO CORPORATE GOVERNANCE INFORMATION

Board of Directors and Board Committees

The Board of Directors met six times in 2006. All of the incumbent directors attended in excess of 75 percent of the total number of meetings of the Board and committees of the Board on which they served.

Although we do not have a formal policy with respect to director attendance at Annual Meetings, since 1997 all nominees and continuing directors have attended the Annual Meetings. Twelve of our directors, which constituted all nominees and continuing directors, attended the 2006 Annual Meeting.

The standing committees of the Board include the Audit Committee, Management Development and Compensation Committee, Nominating and Corporate Governance Committee and Executive Committee. In compliance with applicable New York Stock Exchange ("NYSE") corporate governance rules, the Board has adopted charters for the Audit, Management Development and Compensation, and Nominating and Corporate Governance Committees. These charters are available in the Investors section of our website at www.kimberly-clark.com. Stockholders may also contact Stockholder Services, P.O. Box 612606, Dallas, Texas 75261-2606 or call (972) 281-1522 to obtain paper copies of the charters without charge.

Audit Committee

Dennis R. Beresford is the Chairman of our Audit Committee. The other members of the Audit Committee are John R. Alm, John F. Bergstrom, and Mae C. Jemison, M.D. The Committee met eight

times in 2006. In addition, Mr. Beresford participated in three additional conference calls as Chairman of the Committee to preview earnings press releases during 2006.

Each member of the Audit Committee is an Independent Director under the independence standards set forth in our Corporate Governance Policies. See "Director Independence" below for additional information on Independent Directors.

Each member of the Audit Committee satisfies the financial literacy requirements of the NYSE, and the Board has determined that Mr. Beresford is an "audit committee financial expert" under the rules and regulations of the Securities and Exchange Commission ("SEC").

The principal functions of the Audit Committee, as specified in its charter, include the following:

- Oversees (i) the quality and integrity of the financial statements; (ii) compliance with ethical policies contained in the Code of Conduct, and legal and regulatory requirements; (iii) the independence, qualification and performance of our independent auditors; and (iv) the performance of our internal auditors.
- Subject to stockholder approval, selects and engages our independent auditors.
- Reviews the scope of the audits and audit findings, including any comments or recommendations of our independent auditors.
- Establishes policy in connection with internal audit programs.
- Pre-approves all audit and non-audit services provided by the independent auditors.
- Reviews risk assessment and management policies.

For additional information about the Audit Committee's oversight activities in 2006, see the Audit Committee Report in Part Four of this proxy statement.

Management Development and Compensation Committee

Marc J. Shapiro is the Chairman of our Management Development and Compensation Committee. The other members of this Committee are Abelardo E. Bru, Pastora San Juan Cafferty, James M. Jenness, and G. Craig Sullivan. Mr. Jenness was appointed to this Committee as of February 1, 2007. The Committee met five times in 2006. Each member of this Committee is an Independent Director.

The principal functions of the Management Development and Compensation Committee, as specified in its charter, include the following:

- Establishes and administers the policies governing annual compensation and long-term compensation, including stock option awards, restricted share awards and restricted share unit awards.
- Oversees (i) leadership development for senior management and future senior management candidates; and (ii) key organizational effectiveness and engagement policies.
- Reviews diversity programs and key metrics.

Compensation Process and Procedures

On an annual basis, the Committee reviews and sets the compensation of our elected officers, including all of our executive officers. The Committee's charter does not permit the Committee to delegate to anyone the authority to establish any compensation policies or programs for elected officers, including our executive officers. Our Chief Executive Officer has the authority to establish compensation programs for non-elected officers. Additionally, as discussed below in "Part Four — Executive Compensation — Compensation Discussion and Analysis," the Committee has delegated limited authority to our Chief Executive Officer to grant stock options, restricted stock, and restricted share units to non-executive officers for recruiting or retention purposes.

Our Chief Executive Officer makes a recommendation to the Committee each year on the appropriate compensation to be paid to our executive officers, excluding himself. The Committee makes the final determination of the amount of compensation to be awarded to each executive officer, including the Chief Executive Officer, based on the Committee's determination of how that compensation achieves the objectives of our compensation policies. None of our executive officers are present during the portion of the Committee's meetings when compensation for executive officers is set.

For additional information on the Committee's processes and procedures for determining executive compensation, and for a detailed discussion of our compensation policies, see "Part Four — Executive Compensation — Compensation Discussion and Analysis" below.

Use of Compensation Consultants

The Committee's charter provides that the Committee has the authority to retain advisors, including compensation consultants, to assist the Committee in its work. Both we and the Committee believe that compensation consultants can provide important market information and perspectives that can help the Committee develop compensation programs that best meet the objectives of our compensation policies.

To assist management and the Committee in assessing and determining appropriate, competitive, compensation for our executives, the Corporation annually engages an outside compensation consultant. In 2006, Mercer Human Resource Consulting was retained for this purpose. The Committee also separately retains an additional compensation consultant, independent of management, who is directed by the Committee to review the analysis and recommendations of the consultant retained by the Corporation, and advise the Committee whether such analysis and recommendations are appropriate and in line with the market and general compensation trends and consistent with our compensation objectives. In 2006, the Committee retained The Delves Group as its independent compensation consultant. The Delves Group had no other business relationship with the Corporation and received no payments from us other than fees for services to the Committee.

Committee Report

The Committee has reviewed the "Compensation Discussion and Analysis" section of this proxy statement and has recommended that it be included in this proxy statement. The Committee's report is located below at "Part Four — Executive Compensation — Management Development and Compensation Committee Report."

Nominating and Corporate Governance Committee

Linda Johnson Rice is the Chairman of our Nominating and Corporate Governance Committee. The other members of this Committee are Abelardo E. Bru, Pastora San Juan Cafferty, James M. Jenness, and G. Craig Sullivan. Mr. Jenness was appointed to this Committee as of February 1, 2007. The Committee met four times in 2006. Each member of this Committee is an Independent Director.

The principal functions of the Nominating and Corporate Governance Committee, as specified in its charter, include the following:

- Oversees the process by which individuals are nominated to become Board members.
- Oversees matters of corporate governance, including developing and recommending to the Board changes to Corporate Governance Policies.
- Advises the Board on (i) Board organization, membership, function, performance and compensation; (ii) committee structure and membership; and (iii) policies and positions regarding significant stockholder relations issues.
- Reviews director independence standards and makes recommendations to the Board with respect to the determination of independence of directors.

- Monitors and recommends improvements to the practices and procedures of the Board.
- Reviews stockholder proposals and considers responses or actions with respect to such proposals.

The Nominating and Corporate Governance Committee, in accordance with its charter and our Certificate of Incorporation, has established criteria and processes for director nominees, including nominations proposed by stockholders. Those criteria and processes are described below in “— Director Nominee Criteria and Process” and “— Stockholder Nominations for Directors.”

Executive Committee

Robert W. Decherd is our Lead Director and is the Chairman of the Executive Committee. The other members of this Committee are John F. Bergstrom, Thomas J. Falk, and Claudio X. Gonzalez. In 2006, the Executive Committee did not meet and took action by unanimous written consent once with respect to the approval of two subsequent phase projects under our Strategic Cost Reduction Plan pursuant to authority delegated to the Committee by the Board in July 2005.

The principal function of this Committee is to exercise the powers of the Board to direct our business and affairs between meetings of the Board.

Compensation Committee Interlocks and Insider Participation

During 2006, the following directors served as members of the Management Development and Compensation Committee of our Board: Abelardo E. Bru, Pastora San Juan Cafferty, Marc J. Shapiro and G. Craig Sullivan.

Thomas J. Falk, our Chairman of the Board and Chief Executive Officer, served as a member of the Compensation Committee of the Board of Directors of Kimberly-Clark de Mexico, S.A.B. de C.V. Claudio X. Gonzalez, Chairman of the Board and Managing Director of Kimberly-Clark de Mexico, S.A.B. de C.V., served as a member of our Board in 2006.

Director Independence

Since 1996, our By-Laws have provided that a majority of our directors be independent directors (“Independent Directors”). In addition, our Corporate Governance Policies adopted by the Board provide independence standards consistent with the rules and regulations of the SEC and the listing standards of the NYSE. Our Corporate Governance Policies are available in the Investors section of our website at www.kimberly-clark.com.

The nominees for director are such that immediately after the election of the nominees to the Board, a majority of all directors holding office will be Independent Directors. Our independent Board helps ensure good corporate governance and strong internal controls. We are in compliance with all corporate governance requirements of the NYSE, the SEC and the Sarbanes-Oxley Act of 2002.

The Board has determined that all directors and nominees are Independent Directors, except for Thomas J. Falk and Claudio X. Gonzalez. When making these determinations, the Board considered the following:

- We made charitable contributions of (i) \$162,000 in 2004, \$237,500 in 2005, and \$275,000 in 2006 to the Fox Cities Performing Arts Center in Appleton, Wisconsin, where Mr. Bergstrom is a director, and (ii) \$290,000 in 2004, and \$400,000 in each of 2005 and 2006 to Marquette University, where Mr. Bergstrom is a trustee. Each of these contributions was below the amounts established by the NYSE and our Corporate Governance Policies as potentially affecting a director’s independence. We have significant company operations and a significant number of employees in the Fox Cities area.

- Companies majority owned by Mr. Bergstrom paid to us approximately (i) \$55,000 in 2004, and \$58,000 in each of 2005 and 2006 to lease excess hangar space at an airport near Appleton, Wisconsin, and (ii) approximately \$123,000 in 2004, \$128,000 in 2005, and \$133,000 in 2006 for pilot services pursuant to a pilot sharing contract for incremental costs related to using our pilots for their corporate aircraft.
- We paid approximately \$15,000 in 2004, \$34,000 in 2005, and \$8,000 in 2006 for automobile and related services to car dealerships in the Neenah, Wisconsin area that are majority owned by Mr. Bergstrom.
- We paid approximately \$194,000 in 2004, \$50,000 in 2005, and \$53,000 in 2006 for advertising to entities owned directly or indirectly by Belo Corp., where Mr. Decherd is Chairman, President and Chief Executive Officer. This advertising was placed in accordance with our advertising agencies' independent recommendations, and not at the request or direction of management.
- We made charitable contributions of \$5,000 in 2004, and \$1,000 in each of 2005 and 2006 to the Dorothy Jemison Foundation for Excellence, where Dr. Jemison is a director.
- We paid \$550,000 in each of 2004 and 2005, and \$343,000 in 2006 for advertising to entities owned directly or indirectly by Johnson Publishing Company, where Ms. Johnson Rice is President and Chief Executive Officer. This advertising was placed in accordance with our advertising agencies' independent recommendations, and not at the request or direction of management.
- We paid approximately \$306,000 in 2004, \$746,000 in 2005, and \$1,133,000 in 2006 to JPMorgan Chase & Co. ("JPMC") for investment banking services. Mr. Shapiro serves as a consultant to JPMC and as non-executive chairman of its Texas operations. We do not believe his relationship with JPMC gives him a direct or indirect material interest in our transactions with JPMC.

Director Nominee Criteria and Process

The Board of Directors is responsible for approving candidates for Board membership. The Board has delegated the screening and recruitment process to the Nominating and Corporate Governance Committee, in consultation with the Chairman of the Board and Chief Executive Officer. The Nominating and Corporate Governance Committee believes that the criteria for director nominees should ensure effective corporate governance, support our strategies and businesses, account for individual director attributes and the effect of the overall mix of those attributes on the Board's effectiveness, and support the successful recruitment of qualified candidates for the Board.

Qualified candidates for director are those who, in the judgment of the Nominating and Corporate Governance Committee, possess all of the personal attributes and a sufficient mix of the experience attributes described below to assure effective service on the Board. Personal attributes of a Board candidate considered by the Nominating and Corporate Governance Committee include: leadership, ethical nature, contributing nature, independence, interpersonal skills, and effectiveness. Experience attributes of a Board candidate considered by the Nominating and Corporate Governance Committee include: financial acumen, general business experience, industry knowledge, diversity of viewpoints, special business experience and expertise.

The Nominating and Corporate Governance Committee may receive recommendations for Board candidates from various sources, including our directors, management and stockholders. In addition, the Nominating and Corporate Governance Committee has retained a search firm to assist the Committee in identifying and recruiting director candidates meeting the criteria specified by the Committee.

When a vacancy occurs on the Board, the Nominating and Corporate Governance Committee recommends to the Board a nominee to fill the vacancy. As provided in the Corporation's Certificate of Incorporation, the Board elects a new director when a vacancy occurs between Annual Meetings of Stockholders. The Nominating and Corporate Governance Committee also annually evaluates and recommends to the Board nominees for election as directors at our Annual Meeting of Stockholders.

Stockholder Nominations for Directors

The Nominating and Corporate Governance Committee considers nominees recommended by stockholders as candidates for election to the Board of Directors. A stockholder wishing to nominate a candidate for election to the Board at the Annual Meeting is required to give written notice to the Secretary of the Corporation of his or her intention to make a nomination. The notice of nomination must be received by us not less than 50 days nor more than 75 days prior to the stockholders' meeting, or if we give less than 60 days notice of the meeting date, the notice of nomination must be received within 10 days after the meeting date is announced. The notice of nomination is required to contain information about both the nominee and the stockholder making the nomination, including information sufficient to allow the Nominating and Corporate Governance Committee to determine if the candidate meets the director nominee criteria described above. We may require that the proposed nominee furnish other information to determine that person's eligibility to serve as a director. A nomination that does not comply with the above procedure will not be considered for presentation at the Annual Meeting, but will be considered by the Nominating and Corporate Governance Committee for any vacancies arising on the Board between Annual Meetings in accordance with the process described above in "Director Nominee Criteria and Process." If the proposed amendments to our Corporation's Certificate of Incorporation, as set forth in Proposal 3 below, are adopted at the Annual Meeting, the notice of nomination must be received by us not less than 75 days nor more than 100 days prior to the stockholders' meeting, or if we give less than 75 days notice of the meeting date, the notice of nomination must be received within 10 days after the meeting date is announced.

Communications to Directors

Our Board has established a process by which stockholders and other interested parties may communicate with the Board. That process can be found in the Investors section of our website at www.kimberly-clark.com.

Stockholders and other interested parties may send written correspondence to our Board in care of our Lead Director:

Other Corporate Governance Matters

Corporate Governance Policies. The Board of Directors adopted Corporate Governance Policies in 1994, which have been amended from time to time in accordance with changes in rules and regulations and developing governance practices. These policies guide the Corporation and the Board on matters of corporate governance, including director responsibilities, Board committees and their charters, director independence, director qualifications, director compensation and evaluations, director orientation and education, director access to management, Board access to outside financial, business and legal advisors, and management development and succession planning. These policies, which include our director independence standards, are available in the Investors section of our website at www.kimberly-clark.com. Stockholders also may contact Stockholder Services, P.O. Box 612606, Dallas, Texas 75261-2606 or call (972) 281-1522 to obtain a copy of the Corporate Governance Policies without charge.

Code of Conduct. Kimberly-Clark has a Code of Conduct that applies to all of our directors, executive officers and employees, including the chief executive officer, chief financial officer, and the principal accounting officer and controller. The Code of Conduct is available in the Investors section of our website at www.kimberly-clark.com. Stockholders also may contact Stockholder Services, P.O. Box 612606, Dallas, Texas 75261-2606 or call (972) 281-1522 to obtain a copy of the Code of Conduct without charge.

Lead Director. Mr. Dechard served as Lead Director in 2006. The Lead Director chairs executive session meetings of non-management directors and serves as Chairman of the Executive Committee, among other responsibilities. The non-management directors are scheduled to meet in executive session without the presence of management at least quarterly.

Committee Authority to Retain Independent Advisors. Each of the Audit, Management Development and Compensation, and Nominating and Corporate Governance Committees has the authority to retain independent advisors and consultants, with all fees and expenses to be paid by the Corporation.

Whistleblower Procedures. The Audit Committee has established procedures for (1) the receipt, retention and treatment of complaints we receive regarding accounting, internal accounting controls or auditing matters, and (2) the confidential and anonymous submission by our employees and others of concerns regarding questionable accounting or auditing matters. We also maintain a toll-free, around-the-clock Code of Conduct Line which allows our employees and others to voice their concerns anonymously. The whistleblower procedures and information on how to access the line is available in the Investors section of our website at www.kimberly-clark.com.

Chief Compliance Officer. Ronald D. Mc Cray is the Senior Vice President — Law and Government Affairs and Chief Compliance Officer, overseeing our compliance program. He reports to the Audit Committee on the program's effectiveness, provides periodic reports to the Board, and works closely with various compliance functions to provide coordination and sharing of best practices across the compliance groups.

Disclosure Committee. We have established a disclosure committee composed of members of management to assist in fulfilling our obligations to maintain disclosure controls and procedures, and to coordinate and oversee the process of preparing our periodic securities filings with the SEC.

No Executive Loans. We do not extend loans to our executive officers or directors and do not have any such loans outstanding.

Stockholder Rights Plan. The Board has adopted the following policy statement on stockholder rights plans: "Kimberly-Clark does not have a 'poison pill' or stockholder rights plan. If Kimberly-Clark were to adopt a stockholder rights plan, the Board would seek prior stockholder approval of the plan unless, due to timing constraints or other reasons, a majority of independent directors of the Board determines that it would be in the best interests of stockholders to adopt a plan before obtaining stockholder approval. If a stockholder rights plan is adopted without prior stockholder approval, the plan must either be ratified by stockholders or must expire, without being renewed or replaced, within one year. The Nominating and Corporate Governance Committee shall review this policy statement periodically and report to the Board on any recommendations it may have concerning the policy."

Annual Election of Directors. The Board has recommended to stockholders that directors be elected on an annual basis instead of for staggered terms of three years each. To effect this change, a majority of the shares outstanding must vote in favor. See Proposal 3 below.

Majority Voting for Election of Directors. In September 2006, the Board amended the Corporation's By-Laws to provide that, in uncontested elections, directors will be elected by a majority vote rather than by a plurality. If an incumbent director does not receive a majority of votes, the director is required to tender his or her resignation for consideration by the Board. Our By-Laws are available in the Investors section of our website at www.kimberly-clark.com.

Charitable Contributions. The Nominating and Corporate Governance Committee has adopted guidelines for review and approval of charitable contributions by us and any foundation we control to organizations or entities with which a member of the Board of Directors or an executive officer is or may be affiliated.

**PART THREE
PROPOSALS TO BE VOTED ON
PROPOSAL 1. ELECTION OF DIRECTORS**

General Information

The Board of Directors is divided into three classes, as required by our Restated Certificate of Incorporation (the "Charter"). Directors of one class are elected each year for a term of three years. As of the date of this proxy statement, the Board of Directors consists of thirteen members, including James M. Jenness who was elected to the Board by the Board of Directors as of February 1, 2007. Five of the directors have terms which expire at this year's Annual Meeting (Class of 2007), four have terms which expire at the 2008 Annual Meeting (Class of 2008) and four have terms which expire at the 2009 Annual Meeting (Class of 2009).

Proposal 3 below sets forth the recommendation of the Board to have directors elected on an annual basis instead of for three-year terms. If that proposal is approved by stockholders, then beginning with the Annual Meeting in 2008, new directors, and incumbent directors whose terms are expiring, will be elected annually for one-year terms.

The three nominees for director set forth on the following pages are proposed to be elected at this year's Annual Meeting to serve for a term to expire at the 2010 Annual Meeting of Stockholders (Class of 2010) and until their successors are elected and have qualified. Should any nominee become unable to serve, proxies may be voted for another person designated by management. All nominees have advised us that they will serve if elected. The remaining eight directors will continue to serve as directors for the terms set forth on the following pages.

Both Pastora San Juan Cafferty and Claudio X. Gonzalez have announced that they do not intend to stand for re-election to the Board of Directors when their current terms expire at the Annual Meeting of Stockholders on April 26, 2007. Ms. Cafferty and Mr. Gonzalez will continue to serve as directors until the Annual Meeting.

Compensation of Directors

Directors who are not officers or employees of the Corporation or any of its subsidiaries, affiliates or equity companies are "Outside Directors" for compensation purposes. Our Outside Directors are compensated for their services under our Outside Directors' Compensation Plan which we adopted in 2003. Our objectives for outside director compensation are to remain competitive with the compensation paid to outside directors of comparable companies, to keep pace with changes in best corporate governance practices in director compensation, to attract qualified candidates for Board service, and to reinforce our practice of encouraging stock ownership by our directors. In 2004, to assist the Nominating and Corporate Governance Committee in assessing and determining appropriate, competitive outside director compensation, the Committee engaged Mercer Human Resource Consulting, an outside compensation consultant. Based on that assessment, in 2004 the Committee recommended to our Board, and our Board approved, the outside director compensation for 2005 and 2006.

2006 Compensation

In 2006, each Outside Director received (1) an annual cash retainer of \$70,000 payable pro rata quarterly in advance and (2) a grant of 2,000 restricted share units. Outside Directors who join our Board during a calendar year receive a pro-rated portion of the annual retainer and grant of restricted share units. On January 2, 2006, Outside Directors who were also chairmen of the Audit Committee, Management Development and Compensation Committee or Nominating and Corporate Governance Committee each received an additional grant of 300 restricted share units, and the Lead Director received an additional grant of 500 restricted share units. In addition, we reimbursed Outside Directors for expenses incurred as a result of attending Board or committee meetings.

Restricted share units are not shares of our common stock. Rather, restricted share units represent the right to receive an amount, payable in shares of our common stock, equal to the value of a specified

[Table of Contents](#)

number of shares of our common stock within 90 days following the restricted period. The restricted period for the restricted share units begins on the date of grant and expires on the date the Outside Director retires from or otherwise terminates service on our Board. During the restricted period, restricted share units may not be sold, assigned, transferred or otherwise disposed of, or mortgaged, pledged or otherwise encumbered. Outside Directors also receive additional restricted share units equivalent in value to the dividends that would have been paid to them if the restricted share units granted to them were shares of our common stock.

The following table sets forth the compensation paid to each Outside Director in 2006:

See Note 7 to our audited financial statements included in our 2006 Annual Report on Form 10-K for the assumptions used in valuing and expensing these restricted share units.

(a) Ms. Cafferty also had outstanding at December 31, 2006, 26,309 phantom stock credits accrued under our Deferred Compensation Plan for Outside Directors. These credits are accrued at the director's election in lieu of cash director fees, which are converted into phantom stock credits based on the number of shares of our common stock which would have been purchased with the cash fees on the date of payment. Additional stock credits are accrued based on the dividends paid on our common stock on the same dates and at the same rates as are paid to our stockholders. These credits will be settled 100 percent in cash.

- (5) During 2006, Ms. Cafferty also received an additional 810 phantom stock credits pursuant to the Deferred Compensation Plan for Outside Directors. The additional credits, with a value of \$49,553, represent the dividends that would have been paid if the deferred compensation account was invested in our common stock.
- (6) During 2006, the Outside Directors received credit for cash dividends on restricted stock held by them. The dividends are credited to interest bearing accounts maintained by us on behalf of those Outside Directors with restricted stock. Earnings on those accounts are not included in the Outside Director Compensation Table because the earnings were not above market or preferential. Also in 2006, the Outside Directors received additional restricted share units with a value equal to the dividends paid during the year on our common stock on the restricted share units held by them. The dividends credited on restricted stock, and additional restricted share units credited, in 2006 were as follows:

Other than the cash retainer, grants of restricted share units, and the other compensation described above, no Outside Director received any compensation or perquisites from us for services as a director in 2006.

A director who is not an Outside Director does not receive any compensation for services as a member of our Board or any committee, but is reimbursed for expenses incurred as a result of the services.

2007 Compensation

In 2006, the Nominating and Corporate Governance Committee, with the assistance of Mercer Human Resource Consulting, evaluated Outside Director compensation to assess whether it still met the objectives set forth above. The Committee then recommended to the Board and the Board approved changes in compensation for Outside Directors. Beginning in 2007, Outside Directors receive (1) an annual cash retainer of \$80,000 payable pro rata quarterly in advance and (2) a grant of restricted share units with a grant date value of \$130,000 based on the closing price of the Corporation's stock on the first business day of the year. The Chairmen of the Audit, Management Development and Compensation, and Nominating and Corporate Governance Committees each receive an additional grant of restricted share units with a grant date value of \$20,000, and the Lead Director receives an additional grant of restricted share units with a grant date value of \$30,000.

The Board of Directors unanimously recommends a vote FOR the election of the three nominees for director.

PROPOSAL 2. APPROVAL OF AUDITORS

The Audit Committee of the Board of Directors has selected Deloitte & Touche LLP as the independent registered public accounting firm to audit the financial statements of the Corporation for 2007, subject to ratification by the stockholders. If the stockholders do not approve the selection of Deloitte & Touche LLP, the selection of other independent auditors will be considered by the Audit Committee. Deloitte & Touche LLP have been our independent auditors since 1928.

Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting with the opportunity to make a statement if they desire to do so, and will be available to respond to questions.

Principal Accounting Firm Fees

The aggregate fees (excluding value added taxes) billed to the Corporation and its subsidiaries for the fiscal years ended December 31, 2006 and 2005 by our principal accounting firm, Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu and their respective affiliates (collectively, "Deloitte"), were:

	<u>2006</u>	<u>2005</u>
Audit Fees(a)	\$ 9,328,000	\$ 8,616,000
Audit-Related Fees(b)	945,000	769,000
Tax Fees(c)	1,922,000	2,502,000
All Other Fees	0	0

(a) Includes fees for statutory audits, comfort letters, attest services, consents, assistance with and review of Securities and Exchange Commission filings and other related matters. These fees include an audit of internal control over financial reporting pursuant to Section 404 of the Sarbanes-Oxley Act of 2002. Currency rates accounted for approximately \$440,000 of the increase in Audit Fees in 2006, as the dollar weakened primarily against the Euro and the British Pound.

(b) 2005 and 2006 fees include work with respect to employee benefit plans, due diligence assistance and other matters.

(c) Includes fees for expatriate tax compliance with respect to current and former employees of \$142,000 in 2006 and \$1,476,000 in 2005. During 2005, expatriate tax work with respect to current employees was transferred to another accounting firm. In 2006, Deloitte provided expatriate tax work only with respect to former or retired employees.

Audit Committee Approval of Audit and Non-Audit Services

All audit and non-audit services provided by Deloitte to the Corporation must be pre-approved by the Audit Committee. The Audit Committee utilizes the following procedures in pre-approving all audit and non-audit services provided by Deloitte. At or before the first meeting of the Audit Committee each year, our Vice President and Controller prepares a detailed memorandum outlining the audit services to be provided by Deloitte together with the related fees. In addition, our business and staff units prepare individual requests for non-audit services to be provided by Deloitte during the year. These requests describe the services to be provided, the estimated cost of such services, why the requested service is not inconsistent with the independence rules of the Securities and Exchange Commission, and why it is appropriate to have Deloitte provide such services. Our Vice President and Controller reviews and summarizes the individual non-audit service requests and fees (separately describing audit-related services, tax services and other services) to be provided by Deloitte. Before each subsequent meeting of the Committee, the Vice President and Controller prepares an additional memorandum that includes updated information regarding approved services and highlights any new audit and non-audit services to be provided by Deloitte. All new non-audit services to be provided are described in individual requests for services. The Audit Committee reviews these memoranda and the individual requests for non-audit services and approves the services described therein if such services are acceptable to the Committee.

To ensure prompt handling of unexpected matters, the Committee delegates to the Chairman of the Audit Committee the authority to amend or modify the list of audit and non-audit services and fees; provided, however, that such additional or amended services may not affect Deloitte's independence under applicable Securities and Exchange Commission rules. The Chairman reports action taken to the Audit Committee at its next Committee meeting.

All Deloitte services and fees in 2006 were pre-approved by the Audit Committee.

The Board of Directors unanimously recommends a vote FOR approval of this selection.

PROPOSAL 3. APPROVAL OF AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO ELIMINATE THE CLASSIFIED BOARD OF DIRECTORS AND TO MAKE CERTAIN TECHNICAL CHANGES

Our Board of Directors is proposing, for approval by our stockholders, an Amended and Restated Certificate of Incorporation (the "Proposed Certificate") that incorporates proposed amendments to certain provisions of our existing Restated Certificate of Incorporation (the "Existing Certificate"). A stockholder proposal to declassify the Board of Directors was included in the 2006 Proxy Statement and received favorable votes from a majority of the shares of the common stock outstanding and entitled to vote. The Nominating and Corporate Governance Committee of the Board of Directors and the full Board have carefully considered the advantages and disadvantages of maintaining a classified board structure and, as announced on September 14, 2006, have determined that it is an appropriate time to propose amendments to the Existing Certificate to declassify the Board as described below. The Board believes that annual election of directors will enhance accountability to our stockholders and further our goal of maintaining best practices in corporate governance. In conjunction with the proposal to declassify the Board, we also are proposing an amendment to eliminate the provision in the Existing Certificate that allows stockholders to remove directors only for cause and certain technical changes.

Declassification of Board of Directors

Article VIII of the Existing Certificate provides that the Board is divided into three classes, as nearly equal in number as possible, with members of each class serving three-year terms. In addition, Article VIII provides that directors can be removed from the Board only "for cause." In order to implement annual election of directors and to change the manner in which directors can be removed from the Board, the Existing Certificate must be amended. If stockholders approve the amendments, current directors,

including those re-elected to three-year terms at the 2007 Annual Meeting, will continue to serve the remainder of their elected terms and, beginning with the first Annual Meeting following the stockholders' approval of the amendments, the 2008 Annual Meeting of Stockholders, directors will be elected annually so that by the 2010 Annual Meeting of Stockholders, all directors will be elected annually.

Under Delaware corporate law, stockholders may be limited to removing directors only for cause only if the corporation has a classified board structure. For Delaware corporations without a classified board, the holders of a majority of the voting stock are entitled to remove directors with or without cause. Accordingly, in conjunction with the proposal to declassify the Board, we also are proposing to amend the Existing Certificate to eliminate the provision that allows stockholders to remove directors only for cause. Under Delaware law, directors cannot be removed by other directors, and the proposed amendment will not change this.

The Board has unanimously adopted a resolution approving, subject to stockholder approval, and declaring the advisability of, an amendment to Article VIII of the Existing Certificate to declassify the Board and to allow for directors to be removed by the stockholders with or without cause. The amendment does not change the present number of directors, and the directors will retain the authority to change that number and to fill any vacancies or newly created directorships.

Additional Changes

In connection with the proposed amendments to the Existing Certificate discussed above, the Board reviewed the Existing Certificate for other amendments that may be warranted at this time. As a result of this review, the Board is proposing amendments to the Existing Certificate to (i) change the deadline for receipt of stockholder nominations to conform with the deadline for stockholder proposals contained in the By-Laws of the Corporation, (ii) provide that the number of directors shall be authorized from time to time by the affirmative vote of a majority of the entire Board without specifying a minimum and maximum number of directors, (iii) eliminate references to the eliminated Series A Junior Participating Preferred Stock, and (iv) make certain other technical changes.

Proposed Certificate

The full text of the Proposed Certificate is attached as Appendix A to this proxy statement, with additions indicated by underlining and deletions indicated by strikeout. All the proposed amendments, including the proposed technical changes, are included in the Proposed Certificate.

To be approved, the proposed amendments require an affirmative vote by the holders of the majority of our common stock outstanding and entitled to vote on the amendments. If approved, these amendments will become effective upon the filing of the Proposed Certificate with the Secretary of State of the State of Delaware, which we would do promptly after the Annual Meeting.

The Board of Directors unanimously recommends a vote FOR approval of this proposal.

PROPOSAL 4. STOCKHOLDER PROPOSAL REGARDING SUPERMAJORITY VOTING

Mr. Nick Rossi, P.O. Box 249, Boonville, California 95415, owning 3,000 shares of our common stock, has given notice that he or his designee intends to present for action at the Annual Meeting the resolution set forth below. The Board of Directors opposes this stockholder proposal for the reasons set forth below the proposal.

Proxies solicited by management will be voted against the stockholder proposal below unless stockholders specify a contrary choice in their proxies.

Stockholder Proposal

In accordance with applicable rules of the Securities and Exchange Commission, we have set forth Mr. Rossi's proposal below:

4 — Adopt Simple Majority Vote

RESOLVED: Shareholders recommend adoption of a simple majority shareholder vote requirement applicable to the greatest number of shareholder voting issues possible. This proposal is focused on adoption of the lowest possible majority vote requirements to the fullest extent possible. This proposal is not intended to unnecessarily limit our Board's judgment in crafting the requested change to the fullest extent possible in accordance with applicable laws and existing governance documents.

Nick Rossi, P.O. Box 249, Boonville, Calif. 95415 sponsors this proposal.

67% Yes-Vote

This topic won a 67% yes-vote average at 19 major companies in 2006. The Council of Institutional Investors www.cii.org formally recommends adoption of this proposal topic.

End Potential Frustration of the Shareholder Majority

Our current rule allows a small minority to frustrate the will of our shareholder majority. For example, in requiring an 80%-vote to make certain key governance changes at our company, if our vote is 79% yes and only 1% vote no — only 1% could force their will on our overwhelming 79% majority.

On September 14, 2006 our Board took important steps forward in higher standards for our corporate governance and this proposal is intended to continue this trend. Our Board amended our by-laws to implement a majority voting standard for the election of directors. Our Board also voted to submit a management proposal to shareholders that would establish annual election of each director.

Under the new majority vote standard, which will be used at our April 26, 2007 annual meeting, directors in uncontested elections will be elected by a majority of votes cast. Shareholders will vote at our 2007 Annual Meeting on a company proposal for annual election of each director.

Both of these higher governance standards were recommended in 2006 shareholder proposals by the Carpenters pension funds and Nick Rossi respectively. These proposals won 60% and 78% of the yes and no votes at our 2006 annual meeting.

"Today's [September 14, 2006] actions provide shareholders with a stronger voice in the election of their directors," said Thomas J. Falk, Kimberly-Clark Chairman and Chief Executive Officer. "These changes underscore the board's commitment to sound corporate governance principles and are in keeping with recent best practices."

To continue this trend of adopting recent best practices you are encouraged to vote yes for simple majority vote.

Adopt Simple Majority Vote Yes on 4

Response of the Corporation to Stockholder Proposal

The Board of Directors unanimously recommends a vote AGAINST this proposal for the reasons set forth below.

This proposal, which does not pertain to the election of directors, calls for the elimination of special provisions in the Corporation's Restated Certificate of Incorporation that require more than a simple majority vote for certain actions to be approved. While most proposals submitted to a vote of our stockholders can be adopted by a simple majority vote, certain actions require more than a simple majority vote, including: (i) a merger, consolidation or sale of all or substantially all assets of the

Corporation; (ii) business combinations not approved by continuing directors or at a price not “fair” to our stockholders; (iii) amendments of the provisions in the Restated Certificate of Incorporation relating to actions of stockholders without a meeting and the calling of special meetings of stockholders; and (iv) removal of directors.

Recently, Kimberly-Clark has taken significant actions to continue its implementation of best corporate governance practices:

- In November 2004, Kimberly-Clark terminated its shareholder rights plan.
- In September 2006, the Board amended our By-Laws to adopt a true majority voting standard for the election of our directors.
- At this year’s Annual Meeting, stockholders will vote on a Board proposal for the annual election of our directors. See Proposal 3 above. Currently, the Board is divided into three classes with members of each class serving three-year terms. If Proposal 3 is approved, beginning in April 2008, directors will be elected for one-year terms as their current terms expire.

These actions clearly underscore the Board’s commitment to responsible corporate governance principles and provide our stockholders with a strong voice in the governance of the Corporation and election of our directors. Still, the Board believes that it is in the best interests of the Corporation and its stockholders to maintain the supermajority voting requirements for certain important matters. When our stockholders adopted these supermajority voting provisions, a primary consideration was protecting all stockholders against self-interested actions by one or more large stockholders.

The Board is committed to act in the best interests of the Corporation and all its stockholders. These supermajority voting provisions encourage persons making a hostile takeover bid to negotiate with the Board and help assure terms that are in the best interests of all stockholders. For example, these supermajority voting provisions help provide protection for all stockholders in the event of a hostile bid by one or more large stockholders to take over the Corporation at a price the Board does not believe is fair.

Therefore, the Board believes it is prudent to maintain protections that require the approval of a substantial majority of stockholders before changing or eliminating important governance rules that serve the best interests of all Kimberly-Clark stockholders.

The Board unanimously recommends that the stockholders vote AGAINST the adoption of this proposal.

PROPOSAL 5. STOCKHOLDER PROPOSAL REGARDING ADOPTION OF GLOBAL HUMAN RIGHTS STANDARDS BASED ON INTERNATIONAL LABOR CONVENTIONS

The Comptroller of the City of New York, as custodian and trustee of the New York City Employees’ Retirement System, the New York City Police Pension Fund, the New York City Fire Department Pension Fund, and the New York City Teachers’ Retirement System and custodian of the New York City Board of Education Retirement System, 1 Centre Street, New York, New York 10007-2341 (the “Funds”), owning an aggregate amount of 1,476,456 shares of our common stock, has given notice that he intends to present for action at the Annual Meeting the resolution set forth below. The Board of Directors opposes this stockholder proposal for the reasons set forth below the proposal.

Proxies solicited by management will be voted against the stockholder proposal below unless stockholders specify a contrary choice in their proxies.

Stockholder Proposal

In accordance with applicable rules of the Securities and Exchange Commission, we have set forth the Fund's proposal below:

KIMBERLY-CLARK CORPORATION **GLOBAL HUMAN RIGHTS STANDARDS**

Submitted by William C. Thompson, Jr., Comptroller, City of New York, on behalf of the Boards of Trustees of the New York City Pension Funds

Whereas, Kimberly-Clark Corporation currently has overseas operations, and

Whereas, reports of human rights abuses in the overseas subsidiaries and suppliers of U.S.-based corporations has led to an increased public awareness of the problems of child labor, "sweatshop" conditions, and the denial of labor rights in U.S. corporate overseas operations, and

Whereas, corporate violations of human rights in these overseas operations can lead to negative publicity, public protests, and a loss of consumer confidence which can have a negative impact on shareholder value, and

Whereas, a number of corporations have implemented independent monitoring programs with respected human rights and religious organizations to strengthen compliance with international human rights norms in subsidiary and supplier factories, and

Whereas, many of these programs incorporate the conventions of the International Labor Organization (ILO) on workplace human rights, and the United Nations' Norms on the Responsibilities of Transnational Corporations with Regard to Human Rights ("UN Norms"), which include the following principles:

1. All workers have the right to form and join trade unions and to Bargain collectively. (ILO Conventions 87 and 98; UN Norms, section D9).
2. Workers representatives shall not be the subject of discrimination and shall have access to all workplaces necessary to enable them to carry out their representation functions. (ILO Convention 135; UN Norms, section D9).
3. There shall be no discrimination or intimidation in employment. Equality of opportunity and treatment shall be provided regardless of race, color, sex, religion, political opinion, age, nationality, social origin or other distinguishing characteristics. (ILO Conventions 100 and 111; UN Norms, section B2).
4. Employment shall be freely chosen. There shall be no use of force, including bonded or prison labor. (ILO Conventions 29 and 105; UN Norms, section D5).
5. There shall be no use of child labor. (ILO Convention 138; UN Norms, section D6), and,

Whereas, independent monitoring of corporate adherence to these internationally recognized principles is essential if consumer and investor confidence in our company's commitment to human rights is to be maintained,

Therefore, be it resolved that the shareholders request that the company commit itself to the implementation of a code of conduct based on the aforementioned ILO human rights standards and United Nations' Norms on the Responsibilities of Transnational Corporations with Regard to Human Rights, by its international suppliers and in its own international production facilities, and commit to a program of outside, independent monitoring of compliance with these standards.

Response of the Corporation to Stockholder Proposal

The Board of Directors unanimously recommends a vote AGAINST this proposal for the reasons set forth below.

Although the Board agrees with the principles expressed by the proponent relative to human rights in employment, the Board does not believe that adoption of this proposal is in the best interests of the Corporation and our stockholders. Stockholders may be interested to know that the Corporation has received a similar proposal for the past two years, which has received support from less than eight percent of the votes cast each year.

Kimberly-Clark has a long-standing and well-recognized record of support for the rights of our employees with emphasis placed on the importance of their health and safety. The Corporation unequivocally prohibits discrimination on the basis of race, color, sex, sexual orientation, age, religion, national origin, disability and other categories. We are committed to conducting business according to the highest ethical standards and in full compliance with applicable laws in every country in which we operate. We hold managers from all of our businesses worldwide responsible for overseeing the proper implementation of these policies, and for being knowledgeable about all laws and regulations related to employees' human rights. Suppliers, vendors and contractors of the Corporation are expected to meet similar standards.

Our Code of Conduct, as described above in "Corporate Governance — Other Corporate Governance Matters — Code of Conduct," provides a uniform set of workplace standards and principles that apply to the worldwide operations of the Corporation and its affiliates. We have a Code of Conduct hotline for employees to report violations anonymously. We thoroughly investigate alleged violations.

Our company culture is characterized by cooperative relationships and high employee involvement. All Kimberly-Clark manufacturing facilities uphold established principles and unifying practices that guide our operations. We also hold these facilities accountable for applying the same standards of safety, human resources, quality, ethics, cost, asset management and customer service. In facilities where union representation exists, we work to build partnerships that meet our collective needs. In the United States, approximately 19.5 percent of the work force is represented by unions. We believe that our relationship with our employees is excellent.

The Corporation's policies and procedures have consistently reflected our position on human rights in the workplace. Our purchase order terms and conditions require our suppliers to warrant that all services have been performed and that all goods shipped to the Corporation have been produced in compliance with all applicable laws, standards or codes. We will not knowingly conduct business with vendors that employ child, prison, indentured or bonded labor, or use corporal punishment or other forms of mental or physical coercion as a form of discipline in their operations.

The Board believes the Corporation's Code of Conduct and our business practices address the substantive areas covered by the proposal, and that our existing monitoring processes effectively ensure compliance with the business principles and human rights standards advocated by the proponent. In addition, the Corporation's compliance with applicable laws is periodically reviewed by federal, state and local government agencies that are empowered to perform reviews. The Board believes that third party monitoring of the Corporation and our suppliers would require expenditure beyond any benefit which reasonably could be expected, and is not in the best interests of our stockholders.

The Board unanimously recommends that the stockholders vote AGAINST the adoption of this proposal.

PROPOSAL 6. STOCKHOLDER PROPOSAL REQUESTING A REPORT ON THE FEASIBILITY OF PHASING OUT USE OF NON-FSC CERTIFIED FIBER

The following shareholders have given notice that they intend to present for action at the Annual Meeting the resolution set forth below: Domini Social Investments, 536 Broadway, 7th Floor, New York, New York 10012-3915; The Basilian Fathers of Toronto, 15015 Piedmont, Detroit, Michigan 48223; Calvert

Asset Management Company, Inc., 4550 Montgomery Avenue, Bethesda, Maryland 20814; the Camilla Madden Charitable Trust, 1257 East Siena Heights Drive, Adrian, Michigan 49221-1793; Green Century Capital Management, Inc., 114 State Street, Suite 200, Boston, Massachusetts 02109; the Milwaukee Province of the School Sisters of Notre Dame, 13105 Watertown Plank Road, Elm Grove, Wisconsin 53122-2291; and Vanderryn International Corporation and the Vanderryn Trading Corporation, 8112 Whittier Boulevard, Bethesda, Maryland 20817. These shareholders own shares of Kimberly-Clark common stock ranging from 55 to 107,664 shares for an aggregate amount of 212,236 shares. The Board of Directors opposes this stockholder proposal for the reasons set forth below the proposal.

Proxies solicited by management will be voted against the stockholder proposal below unless stockholders specify a contrary choice in their proxies.

Stockholder Proposal

In accordance with applicable rules of the Securities and Exchange Commission, we have set forth the Fund's proposal below:

Sustainable Forestry

Whereas:

Kimberly-Clark is a leader in the global forest products industry and the world's largest manufacturer of tissue products, using more than 3 million metric tons of virgin fiber, annually.

Kimberly-Clark sources 22% of its virgin wood pulp from Canada's Boreal forest, the largest remaining ancient forest left in North America. As one of the world's largest storehouses of carbon, preservation of the Boreal is critical to mitigating climate change. The Boreal is home to nearly 50% of North America's bird species and contains the largest remaining populations of woodland caribou and wolverines.

Our company has publicly stated that its "corporate policy prohibits the use of wood fiber from virgin rainforests or from designated ecologically significant old growth areas, including ... temperate rainforests in coastal British Columbia." Greenpeace recently reported that our company sources fiber from the coastal temperate rainforests of British Columbia, in violation of this policy. In response, Kimberly-Clark now acknowledges that it has "overstated" its actual practices.

Kimberly-Clark can ensure access to a sustainable supply of fiber by requiring suppliers to adhere to the Forest Stewardship Council (FSC) certification system. FSC is the only independent forest certification system in the world accepted by the conservation, aboriginal and business communities. FSC is the world's largest and fastest growing certification system, by hectares.

One-half of the certified fiber procured by Kimberly-Clark is certified to the Sustainable Forest Initiative, developed by the American Forest & Paper Association, a forest industry trade association. Credibility is the most important criterion for the selection of any certification scheme.

Our company required all of its global fiber suppliers to adhere to one of the five forest certification systems by the end of 2005, a goal it has yet to meet. By accepting virtually every available standard, our company fails to set any standard at all.

Major banks, including JP Morgan Chase and Bank of America, have policies limiting or prohibiting investment in companies that negatively impact ancient forests. JP Morgan Chase's environmental policy expresses a preference for FSC certification when financing forestry projects.

RESOLVED: Shareholders request the Board to prepare a report, at reasonable cost and omitting proprietary information, by November 1, 2007, assessing the feasibility of phasing out our company's use of non-FSC certified fiber within 10 years.

Supporting Statement:

Proponents believe that our company's current practices present serious risks to long-term shareholder value. Kimberly-Clark should develop policies to ensure a long-term sustainable supply of raw materials and mitigate reputational risks by procuring fiber certified using credible standards.

We believe a thorough feasibility study should discuss the Company's goals and timeframes with respect to:

- Increasing the use of FSC-certified fiber with the goal of phasing out virgin fiber certified by less credible certification schemes; and
- Increasing the use of recycled fiber in both consumer and commercial products as a means to reduce reliance on virgin materials.

The study should consider Kimberly-Clark's role in the marketplace, and assess the potential impact of Kimberly-Clark's purchasing practices on the availability of FSC-certified fiber.

Response of the Corporation to Stockholder Proposal

The Board of Directors unanimously recommends a vote AGAINST this proposal for the reasons set forth below.

Kimberly-Clark's Dedication to Sustainable Forestry

Kimberly-Clark has a long history of responsible use of natural resources. We are committed to the promotion of sustainable forestry and frequently review our sustainable forestry policies and practices to improve our efforts to influence sustainable forestry practices on a global level. We highlight our dedication to sustainable forestry on our website, which includes our annual sustainability report, and we will continue to communicate with our stockholders and the public about our environmental conservation work.

The Proposal Has Been Substantially Implemented

The stockholder proposal requests our Board to prepare a report, at reasonable cost and omitting proprietary information, by November 1, 2007, assessing the feasibility of phasing out our use of fiber from sources not certified by the Forest Stewardship Council ("FSC") within 10 years. The Corporation believes it has already substantially implemented this proposal. In December 2006, we engaged Hawkins Wright Ltd., an independent consulting firm and leading independent expert for market pulp supply data, to assess the availability of FSC-certified fiber in areas where we purchase our wood fiber, and the feasibility of phasing out our use of non-FSC certified fiber within 10 years. Once the study is complete, we will develop a report on the results of the study, including an assessment of the feasibility of phasing out our use of non-FSC certified fiber within 10 years, and make this report available to our stockholders, well ahead of the November 1, 2007 deadline included in the proposal.

The scope of the feasibility study will include:

1. Pulp producers' plans, by company and by region, for seeking or continuing FSC certification during the next 10 years. Where appropriate, Hawkins Wright will assess the likelihood of these plans being achieved and, consequently, the quantity of wood fiber, by grade and in the regions in which Kimberly-Clark currently purchases its wood fiber, that is likely to be FSC-certified and available for purchase by Kimberly-Clark for each of the next 10 years.
2. Factors which constrain the adoption of FSC certification in different regions, focusing specifically on the regions from which Kimberly-Clark currently sources its fiber.
3. A discussion of the ability of non-governmental organizations and other certifying bodies to influence the availability of FSC-certified fiber in the future.

4. A discussion of the ability of a tissue manufacturer, comparable in size to Kimberly-Clark, to influence fiber market suppliers to increase the availability of FSC-certified fiber in the future.

Availability and Use of FSC-Certified Fiber

The stockholder proposal recommends that Kimberly-Clark only use fiber certified by FSC and not fiber certified by any of the other forest certification systems recognized in our policy. This recommendation is not practical today and the feasibility study will help us assess its practicality in the future.

Our use of FSC-certified fiber depends on meeting the following requirements:

- There must be sufficient FSC-certified fiber available;
- Pulp made from FSC-certified fiber must be commercially available for purchase by us in locations where we source our fiber; and
- Available FSC-certified fiber must meet our product performance and cost requirements.

We purchase FSC-certified fiber to the extent that it is available and meets our product performance and fiber cost requirements. However, the global supply of FSC-certified fiber currently is not sufficient to allow us to rely exclusively on FSC-certified fiber. Based on data from the United Nations Food and Agriculture Organization and publicly available forest certification data bases, as of October 2006, approximately 7.3 percent of the world's forests were certified, including approximately two percent certified by FSC. None of the internationally recognized forest certification systems has a dominant share of the market for certified fiber.

Use of Recycled Fiber

The proposal also recommends increasing our use of recycled fiber in both consumer and commercial products as a means to reduce reliance on virgin materials. We have conducted extensive research regarding the various types of fiber, and we are a leader in the industry in the use of recycled fiber in our products. Recycled fiber currently accounts for approximately 29 percent of fiber use for Kimberly-Clark and its subsidiaries and equity affiliates.

All the leading premium consumer tissue brands in North America contain primarily virgin fiber. The main reason is consumer preference for certain product attributes, like strength and softness, which decline as the amount of recycled fiber increases. Consumers have voiced this preference through their purchases. Our studies show that consumer tissue products containing recycled fiber accounted for only 1.7 percent of all dollars spent on branded consumer tissue products in the United States in 2006.

Away-from-home tissue products often contain a higher percentage of recycled fiber. Some Kimberly-Clark away-from-home tissue products, including a line of Scott branded facial tissue, bath tissue and paper towel products, contain 100 percent recycled fiber. We continue to examine the use of recycled fiber in our products and to seek ways to reduce our need for virgin fiber.

Stockholder Communication and Next Steps

Representatives of Kimberly-Clark met with representatives of the proponents of the proposal in November 2006 to discuss their concerns and share our sustainable forestry policies and practices and our plans to conduct the requested feasibility study.

When we receive the results of the feasibility study, we should have a clearer view of the expected availability of FSC-certified fiber to Kimberly-Clark over the next 10 years. The study should provide us an understanding of the extent to which we could increase our purchases of FSC-certified fiber over time. Following an analysis of the study results, we will develop a report that is communicated to our stockholders.

In summary, the Board believes the stockholder proposal has been substantially implemented. Therefore, additional action on this proposal is not necessary and not in the best interests of our stockholders.

The Board unanimously recommends that the stockholders vote AGAINST the adoption of this proposal.
